When Designing a Marketing Program - Your Goals Come First

Our Internet marketing programs cater specifically to your property's size and location. Whether you're a boutique, independent or branded hotel, we recommend marketing strategies based on your goals.

- Natural search marketing crafted by Google® certified search engine specialists ensures more potential buyers visit your site instead of your competitors.
- Leverage social media, paid search and email marketing campaigns with a targeted approach, offering greater control, measurable results and maximum online visibility.
- Professionally designed, high impact websites built on our proprietary **Web World Publishing**™ System allows you to instantly manage content, launch promotions and reach and attract customers.

We Know How Travelers Shop - and How to Convert Them

Known for over 13 years as search marketing experts and industry leaders, pioneering tools such as the **SECURE-RES® Reservation & Packaging System**, we use deep statistical analysis to ensure your sites move up in rankings, attracting the right customers.

- Booked over \$15 billion for clients just like you.
- Understanding the science, measuring the results and applying the strategies increases conversions and reduces abandonment.
- ROI centric strategies generate more revenue from your most profitable sales channel.

Extending Your Marketing Department with Our Dedicated Account Teams - Means You Have Search Marketing Experts on Your Side

Our seasoned account management teams work closely with you to understand your unique needs, competitive situation and customers.

- Award winning designers, Google certified marketing experts, in-house copywriters, professional certified programmers and top notch marketing analysts.
- Passionate professionals with the vision and energy to improve your visibility... that's **VIZERGY**.
- Your team and our team stay in touch to measure your website's success and keep your marketing campaign focused on the right targets.

Powerful Marketing Tools - Leave the Competition Behind

Building lasting success demands a foundation of experience and the best tools in the business. VIZERGY has developed leading edge tools that enable you to achieve your goals and quickly respond to a changing marketplace.

- **My Web World**® - Reputation monitoring and marketing analytics at its best, gives you a single customizable access point to control your online success!
- **Web World Publishing**™ - Manage website content instantly. This powerful application gives you control to upload new photos, promotions or add pages, all at the click of a mouse.

Performance You Can Measure

VIZERGY is only as successful as we make our clients. Here's what they had to say:

"We're excited to have VIZERGY as our Internet marketing partner. Their customer service is grade A. The account management team understands our properties' goals and unique selling features, which makes a big difference in differentiating us from our competition. Additionally, the in house search marketing and design teams have streamlined the process, producing a significant revenue increase in only five months."

Jonathan Reiss | Vice President of Sales and Operations | WNW Hospitality

"As the marketing director for five Savannah inns, I want our Websites to be unique and appealing. VIZERGY has created attractive, user-friendly sites for us that are also strong revenue generators."

Cindy Roberts | HLC Hotels | www.BandBofSavannah.com

"In August, we launched our new Website, built and hosted by VIZERGY, with a fully integrated search marketing program. We realized an immediate ROI. VIZERGY also provides an outstanding quarterly report with critical measurements of our Internet marketing activities."

Kevin Thorpe | General Manager | Best Western, Dobson Ranch Inn
